

JOT COPYRIGHT TRANSFER

This form is intended for original material submitted to Journal of Object Technology (hereinafter, "JOT"), and must accompany any such material in order to be published by JOT. No other form may be substituted. Please read the text carefully and keep a copy.

TITLE OF PAPER/ARTICLE/REPORT/PRESENTATION/SPEECH (hereinafter, "the Work"):

COMPLETE LIST OF AUTHORS:

The undersigned hereby assigns all rights under copyright that may exist in and to the above Work to JOT. The undersigned hereby warrants that the Work is original and that he/she is the author of the Work; to the extent the Work incorporates text passages, figures, data or other material from the works of others, the undersigned has obtained any necessary permissions. The undersigned further warrants that the publication or dissemination of the Work shall not violate any proprietary right or the Digital Copyright Millennium Act (the "DCMA").

The undersigned hereby certifies that: (1) the information contained in any materials submitted to JOT in connection with the Work is not subject to any restriction related to its disclosure, because it is not defense-related, classified, or subject to any other disclosure restrictions by any government, including the United States government, that has authority to restrict the dissemination of such information; (2) any and all necessary authorization(s) from the undersigned's employer(s) for the disclosure of the information discussed in the Work have been obtained; and (3) the foregoing applies to all future versions of the Work, edited by the undersigned, an assistant, co-author or any person working with the undersigned. If the information is subject to any disclosure restrictions, the undersigned certifies that all necessary written authorization(s) for its public disclosure have been obtained and are attached herewith. JOT reserves the right to refuse publication of the Work or participation at a conference for failure to certify the foregoing.

Authors/employers retain all proprietary rights in any process, procedure, or article of manufacture described in the Work.

In the case of a Work performed under a Government contract or grant permitting the Government to reproduce all or portions of the Work, this Agreement shall not prevent exercise of this right by the Government.

The undersigned represents that he/she has the power and authority to make and execute this assignment.

By submitting a paper to JOT, the undersigned represents that this is original work by the authors, and not submitted elsewhere.

Because JOT is an electronic publication accessible for free on the Web, authors are not permitted to include copies of the papers on other Web sites. Instead, you should simply include a link to the JOT page for your paper. Republication of the paper (for example as part of a collection of articles published as a book), or translation into another language, requires written permission from JOT.

The undersigned is free to reuse the material of the article in another publication, provided the new publication is substantially different from the original article. In such a case it is recommended that the author include a citation of the original JOT article.

The undersigned agrees to indemnify and hold harmless JOT from any damage or expense that may arise in the event of a breach of any of the warranties set forth above.

In the event the above work is not accepted and published by JOT or is withdrawn by the author(s) before acceptance by JOT, this form agreement becomes null and void.
